PURCHASE AGREEMENT

1. The advertiser and G.R. Whitfield Baseball Association (GRWBA) agree that execution and delivery of this agreement together with payment of the appropriate amount to GRWBA shall constitute an agreement for the Advertiser to furnish an appropriate design for creating a 3'x 6' sign to be placed on public display on an outfield fence at the baseball field, which is owned and operated by GRWBA.

2. GRWBA shall have sole approval of all submitted designs for advertising signs and for approval of finished signs. At its discretion, GRWBA may refuse to accept any designs submitted by the Advertiser that it deems inappropriate. The Advertiser's only recourse shall be to resubmit a different design.

3. The Advertiser agrees to hold harmless GRWBA, its officers, directors, and agents, regarding any liability for advertising claims, which might be made against the Advertiser, his sign design or the installed sign, regardless of whether or not the sign design was accepted by GRWBA and installed.

4. The Advertiser may change the sign design prior to its preparation without additional charge. Should the Advertiser desire to change a sign at any time after its initial preparation, he/she may do so by forwarding the new design to GRWBA for approval together with payment of a $150.00 preparation fee. Should GRWBA not accept the new design, the $150.00 preparation fee shall be returned.

5. GRWBA shall locate sign(s) prominently on the outfield fence. Actual locations on the fence(s) shall be at the sole discretion of GRWBA.

6. Contract time for sign shall begin from the month and year that the sign is initially installed on the fence. Renewal notices will be sent to the Advertiser when their agreement expires to determine if the Advertiser wishes to continue advertisement. Signs shall be removed for non-payment of renewal fee thirty (30) calendar days after date of renewal notice to the Advertiser. If Advertiser wished to renew after sign has been removed, Advertiser may be required to pay a new sign preparation fee ($150).
